

Finding The Magic...

The best way to find us using your navigation system is to set your destination as Gillock. This is a very small village comprising a single street of houses, and is only 1.6 miles from the house. *(If you have travelled to us from the South on the A9, you will approach Gillock from the West. If you are travelling from Thurso having come from the West Coast, Just head South from Thurso on the A9, and after approximately 5 miles, look out for a small junction on your left signposted 'Gillock').* Just after you enter the village of Gillock, there is a junction on the left signposted 'Bower Community Centre'. Take this junction and travel up the hill. Towards the top of the hill you will pass through a farm, and shortly after this you will see a white church hall on your left, with a War Memorial opposite. Turn right at the junction adjacent to the memorial. The Bower Old Free Church Manse is situated around 100 yards along this road on the right-hand side.

Alternatively, you can reach us from Thurso by travelling along the North Coast. First drive to Castletown, you'll be driving straight down the main street. Just before you leave the village turn right at a sign marked 'Wick', onto the B876. Then drive approximately 4 miles until you reach the village of Bowermadden. Just before you leave the village turn right up the hill past a street of cottages, at the sign marked 'Bower Community Centre'. Drive to the top of the hill *(around 1.5 miles)* before turning left adjacent to the War memorial. The Manse is 100 yards down the road on your right!

If you are coming to the Manse from the Wick side of the county, leave Wick along the B876 past Tesco on your right. Follow this road for around 8 miles, until you reach a village called Bowermadden. Immediately after you arrive at the village, turn left off the main road, and head around 1 mile up the lane until you reach a junction at the top of the hill, next to a war memorial on your left, and opposite a white church hall on your right. Turn left here, and the Manse is 100 yards down the lane on your right hand side.

To find the house on a map, you'll find us on OS Landranger 11, Grid Ref: ND232 605
